MESSAGE FROM PUBLIC WORKS

All residents with a bleeder valve on your meter, please ensure it is 'on' prior to a major drop in outside temperatures to avoid freezing.

WHAT'S HAPPENING IN THE COMMUNITY

For public skating, public shinny, and other community events visit www.millet.ca to view the Event Calendar.

CP Train in Millet!

The CP Holiday Train will be stopping in Millet on December 8th at approx. 6:50pm. More details will be announced as we receive them.

TAX PENALTY

A proposed 16% tax penalty will be levied on all outstanding properties after January 15, 2023. This includes utility transfers, current and arrear taxes and any other balance on the tax roll.

If you were on the pre-authorized tax payment plan last year there is no need to re-apply. If you would like to apply this year, and your tax account is paid in full, please ensure that your application is returned prior to December 10, 2022.

PROPOSED CHANGES TO TAX BYLAW

Council approved 1st reading of the new tax bylaw on October 26th. The new tax bylaw will move the December 31st penalty to January 15th and reduce it by 2% to a 16% penalty. The July 15th penalty has been split into 2 separate dates and reduced. The new proposed penalties will be July 15th at 8% and October 15th at 6%. This proposed tax bylaw will result in a net decrease of 6% in penalties over the year.

MESSAGE FROM ENFORCEMENT SERVICES

Winter is coming! And with that we would like to remind everyone in the event your car breaks down or stalls in the winter to remember the following:

- * Stay with your vehicle
- * Do not overexert yourself
- * Place bright markers on the antenna or windows
- * Keep the interior dome light turned on
- * Do not run your car for long periods of time while the windows are rolled up or in an enclosed space - this is a carbon monoxide hazard. If you have to keep your vehicle running to stay warm, be sure to clear snow away from the exhaust pipe and run the vehicle only as long as needed to stay warm.
- * Have an emergency kit for winter. Check online for the best ideas to have in your kit

JEDI is Here to Guide you in Business

JEDI is in the process of conducting Business Retention & Expansion (BRE) visitations with industrial businesses in the Town of Millet & County of Wetaskiwin. Resulting BRE data will indicate the future plans/needs of local businesses and how businesses view the Region's overall business climate. In turn, this information will be used to respond to individual business needs and to plan future economic development initiatives.

After a two-year hiatus we are pleased to announce that the JEDI Ag Forum is back! The event will be held Thursday, November 24, 2022, at the Wetaskiwin Ag Grounds. If you wish to sign up for e-mail updates as more information becomes available, please email cthompson@jedialberta.com or visit www.jedialberta.com. We are so excited to offer a day of learning and collaboration in recognition of the hardworking men & women of Agriculture in our community!
